Summer is almost here, and the TABOO girls are red HOT!

Krider is back with his collection of dangerous femmes—and these women are *not* pulling any punches. Lock eyes with these ladies and you will know you're in trouble! They are likely to beat you senseless and then fuck your brains out. Watch out!

In her TABOO debut, we present tiny dancer Vanna Bardot. Such a graceful and lovely creature, she will dance her way into your pants before you know what hit you. She is nimble on her toe shoes and takes a swift crop to her ass with aplomb. Her pissing skills are rather impressive as well, as she lets the gold flow with delightful glee.

Kendra Spade suffers beautifully under the lash of Lightworship. Her tender nipples tied with thin jute ache and swell as she endures a vicious hardwood paddling. Not to mention that every hole is stuffed full before he is finished with her!

Enjoy this issue of fine fetish flesh! Write to us, email, tweet. *—Cynthia Patterson, Creative Director*

When did you start fetish modeling and under what circumstances?

I started fetish modeling three or four years ago. I'd always been into the fetish community and drooled over the images in magazines like TABOO and (the now defunct) *Bound & Gagged*, but wasn't sure how to get started modeling. After striking up conversations with several photographers on Instagram, I was invited to start shooting kink and haven't looked back since.

How do you like working in fetish scenes?

"Scenes" can be tricky. I love playing in public, but, at local fetish events, there always seems to be an element of newbies who don't understand the rules or are just there to ogle the freaks and be disrespectful, which is irritating. I hope to visit more fetish scenes in other cities and see if it's different.

What fetishes do you like? What do you fetishize in your life?

Where to start? I have a major ass fetish—I love having my ass eaten and worshipped, and I love returning the favor to both men and women. If I'm tied up with rope and gagged, even better. I've always had a bondage kink. Another one of my biggest fetishes is exhibitionism; I love being looked at or filmed while I'm playing with myself or getting fucked. Modeling definitely helps me fulfill this desire.

Have you ever been spanked? Please tell us about it.

I have been spanked many times and it always turns my pussy into an ocean! There's nothing I love more than being bent over—be it for a spanking, an eating or a hard fucking. One occasion that stands out in my mind was when my partner bent me over my coffee table, hiked up my black dress, and spanked my little ass pink with his belt until I begged him to slide his huge cock into me from behind. I *still* think about it when I touch myself.

What is your ultimate sexual fantasy?

It's hard to pick just one. Currently, having my ass and pussy eaten at the same time while I'm bound and gagged. Or getting fucked in the ass while I 69 another woman.

Have you ever been pissed on or pissed on someone?

I have actually never tried water sports! I don't *think* it would do anything for me, but I'm willing to try anything once!

What do you think about anal sex?

I live for ass play of any kind, be it a finger, a tongue, a toy or a cock. I love the submission and humiliation of having my tight little asshole reamed by a fat cock, preferably with the lights *on* so they can watch it slide in and out. As long as they give it a good licking and gently rim it with a lubed-up finger first, I'm game!

Are you more interested in the art of fetish modeling or the sex of fetish porn or both?

Most people tend to view art and sex/pornography as mutually exclusive. I do not. To me, sex *is* an art form, and nothing crystallizes that more than fetish photography, or even porn. I love taking photos while I'm having sex. The exhibitionism is titillating, and I find the images raw and beautiful.

Are you more submissive or dominant in bed? Is it different if you are with men or women?

I'm a switch, and it depends more on my mood than the gender. I used to consider myself a straightforward submissive. My fantasies since adolescence usually revolved around being tied down and taken by force. But after playing with a few men and women who wanted to switch roles, I started realizing how much I enjoy tying someone down and forcing them to eat my pussy. I also recently discovered I love the powerful sensation of wearing a strap-on and making a man my bitch!

Do you like rough sex?

Definitely I do! I love being spanked and disciplined, then fucked so hard it knocks the wind out of me! And I always enjoy being choked, no matter *what* mood I'm in.

What about roleplaying?

I haven't really experimented with roleplaying as much as I'd like, other than your typical master and slave scenario. I've always wanted to try a pet play or DDLG scenario, and I hope I get the chance to soon!

What was your favorite part of shooting for TABOO?

Working with Chas Ray is always an honor and a pleasure—I admire his aesthetic vision so much, and he's just great company! I think there's something especially thrilling about shooting outside in the nude, the constant threat of discovery is part of the excitement.

Are you currently in a fetish lifestyle partnership? Would you like to be in one?

My current partnership is a very open-minded, sexually free one. We're currently looking to include some others in our lifestyle.

What made you want to shoot for TABOO?
I'm really into kink stuff and BDSM. This is my first legit fetish shoot because I wanted to do it with the right people. I love that it's very artistic, too.

What fetishes do you like? What do you fetishize in your private life?
I love being dominated by men or women. I like the DDLG thing. And of course toe shoes!

Ballet must be very rigorous and stressful on your body.
Yes, I think ballet was my first introduction to experiencing pain and pleasure together. Before I even started wearing pointe shoes I had a teacher that was strict and used to hit me with a cane or slap me on my ass if I wasn't using my glute muscles. So the idea of pain became normal, and once I started doing pointe, that's a whole *other* level of pain. It's interesting to see how you don't care about the pain when you're enjoying yourself.

Is dance an erotic experience?
Yes, because you have to focus on so many different body parts and muscles that you didn't know you had. There's lots of things that you have to be aware of, especially feet, which is why I think I developed a foot fetish. But yeah, it can get erotic, especially when you're dancing with a partner—getting close, hands sliding up and down your legs, being lifted in the air…

Have you ever been pissed on or pissed on someone?
I've never peed on anyone, but my boyfriend peed on me once in the shower though. The idea kind of grosses me out a little bit.

What's the wildest thing you've ever done on or off set?
I did an orgy with two girls and a guy. I loved the experience! I learned that I'm more of an exhibitionist, and I like having a lot of people watching me! I also like to have sex in public places, because I couldn't have sex at my *house*, growing up.

Did you ever get caught having sex in public places?
Yeah, once I was at an art fair with my high school boyfriend and we went to this popular ice cream shop that his parents were at. We had sex in the bathroom. When we opened the door, people saw us.

What do you think about anal sex?
I'm new to it, but I did finally have an anal orgasm. I still can't get a dick up my ass, but I'm trying to!

Have you ever been spanked?
Yes. I love it! I always have to tell people to hit me harder!

What would you like the readers to know about you?
I'm kind of going through a sexual awakening because I'm really open to trying a lot of things that I didn't think I would. I've got a lot of fun stuff coming up!

How long do you plan to stay in porn?
I'd like to stay until I'm at least 21. I'd love to do it as long as possible!

When did you start fetish modeling?
I started filming amateur porn in 2017, and around that time I asked Mark Speigler to sign me, but he told me that I needed to wait. By October he got me booked for a company that I've always wanted to work for, and they focus on fetish and bondage. I've always wanted to be tied up and thrown around.

So your very first instinct when you decided to do porn was to do bondage?
Yeah. I knew I wanted to get tied up and forced to do whatever the person who is dominating me wants to do.

Do you have any personal fetishes?
The biggest turn-on to me is to be submissive. To know that someone is doing things to me that *they* know causes me pain is such a turn-on. I love the idea that someone could shove a dick up my ass when I'm not ready for it. The idea of surrendering control to someone else feels so good!

Why did you want to shoot for TABOO Magazine?
When I first saw TABOO I didn't realize that it was actually *real*. When I realized that it *is* real, and it looks the way it actually is, I really wanted to do it! And after my experience today, I feel that this is the closest thing that you can get to real bondage in this industry.

Did you enjoy being spanked?
Yes! It was much harder than anything I've allowed on set. Mostly because I have to be able to trust other people, so this is the first time I've allowed it, because I know that you are a professional and know what you're doing.

What is the wildest thing you've ever done on or off camera?
In my opinion I'm not that wild, but I feel the craziest thing for me lately is squirting. I also did a black-light shoot that was a lot of fun. They covered me with glow-in-the-dark paint and sprayed all this tonic water over me, and the guy ripped off my bright outfit. He fingered me and I squirted, and it glowed in the dark! It was *so* cool.

Have you ever been pissed on or pissed on someone?
No…not unless you count being *squirted* on. I'm open to it though! But I don't want anyone to piss on me unless they really *want* to piss on me, because otherwise, I feel like it's a waste of piss.

When did you realize you liked having things shoved up your ass?
When I watched porn I liked to see the anal play and how much the girls seemed to enjoy it. Plus I saw how much the guys like it. So I asked this guy I used to date to please fuck me in the ass. He wasn't comfortable with it at first, but he did it and I loved it!

Are you more interested in the art of fetish modeling or the sex of fetish porn?
I'm interested in both. I care about the sex and the pleasure of the Dom.

What would you like your fans to know about you?
I grew up Mormon. Sex in general was off limits and taboo for me growing up.

Do you masturbate?
Yes! I used to masturbate *all the time*, but now, when I come home from a gig, I'm usually so tired that I just go to sleep. I still orgasm *at least* twice a day. I always like to orgasm in the morning and once before bed.

Are you an exhibitionist?
Not really. It depends on the people around me, because I don't want to do that in front of anyone that doesn't *want* to see that. But I have *no* problem taking off my shirt at a party if there are guys around that want to see it! I've also lost a few friends because I like to take pictures of my tits and pussy and then send them to everyone…and their boyfriends! LOL

Is there still anything weird that you really want to do in porn that you haven't done yet?
I *do* want to be pissed on. I also want to be DPed or gang-banged. I'm not ready to do that yet on camera, but I know I really want to do it!

When did you start fetish modeling?
I've only done one other bondage shoot, for Kink.com. I loved it *so* much; it was so much fun. I've always dreamed of being tied up.

What did they do to you?
I did anal, and it was a mobster theme. I was a mobster's moll, trying to sell guns, but I got caught and they tied me up, and I got gagged and flogged.

What kind of fetishes do you like, and do you have an interest in fetish in your private life?
I love being tied up! I love the *whole* bondage thing. I love being gagged, and I enjoy being spanked, too!

Why did you want to shoot for TABOO?
I saw Bella's shoot for TABOO and it looked like so much fun! The pictures looked so *amazing*!

What is the wildest thing you've ever done on set or in front of a camera?
Before I got into porn, the wildest thing I'd ever done was have a foursome with this couple that I had been regularly having sex with. One time I brought my friend along, and we all got high and drunk and had sex!

Now, I feel like I'm a lot more open and comfortable with my sexuality. I will try *anything*. I will eat ass or lick feet or *whatever*. I never ate a girl's ass before porn.

Have you ever been pissed on or pissed on someone?
No, but I've been squirted on, and I *thought* it was pee at first! Haha.

What do you think about anal?
I *love* anal! I did anal yesterday, I did it today, and I'm doing it again tomorrow!

Did you do anal in your personal life before porn?
Yes! I lost my anal virginity when I was in high school! It was *super* uncomfortable, at first. This guy talked me into it, and I was *not* prepared. But I'm glad I worked all that out before getting into this business. Now I can't get enough!

Are you in a fetish lifestyle partnership or would you ever like to be in one?
I've never actually thought about it... I love to try new things...and I like bondage *a lot*...so, I guess I *would* be open to it!

ANAL ADVISOR

by Tristan Taormino

PHOTOS OF AURORA AND BRIAN BY DAVE NAZ

dear anal advisor

My husband and I have just begun exploring anal sex. My butt-cheeks are extremely sensitive and I recently let him proceed from tickling them to rimming me. Unfortunately, shortly after our first few sessions, I came down with a urinary tract infection that is still proving difficult to cure. This is the first urinary infection I think I've ever had, so it seems more than coincidence. During our sessions he moved back and forth between my ass and my pussy. Could this be the source of my infection, and if so, what's the best way to prevent it in the future?

—nancy newbie

dear newbie

As your husband went from your ass to your pussy, he could have transferred bacteria from your butt to your vulva, from whence they can be pushed into your urethra and cause a urinary tract infection. This is much more likely to happen through penetration—when he fucks your ass, then fucks your pussy—but it's definitely possible by way of oral sex as well. My first suggestion is pretty simple: no more ass-to-pussy! But I suspect that you really enjoy the back and forth play, so I have an alternative. As he rims your asshole, have him use his hand or a vibrator to stimulate your clit. That way, you can both enjoy both sensations at once without the risk. To avoid urinary tract infections in the future, always pee right after sex, rinse your genitals, and drink a big glass of water. This will help flush out the urethra and may prevent a variety of nasty bugs.

dear anal advisor

I'm really turned on by asshole-winking. At the moment of first insertion or when my girlfriend is coming, her anus crinkles delightfully. I noticed it during anal play with her last week. Once my finger slid inside her, she squeezed her muscles. I saw it up close, and it was extremely hot for me. Is this a reflex? It looks a bit coquettish and alluring, if not somewhat kinky. It's even more attractive if she's doing it intentionally. It's like her butt is saying, "Come in, it's unlocked, you are welcome." Do you think I have a full-on fetish, like guys who are into gaping or rimming? If so, what is it called? Are there any Web sites or movies dedicated to it?

—wink-loving wanker

dear wanker

Anal winking can be a voluntary or involuntary muscle movement. Certainly, when you tense your sphincters, then relax them, you can achieve the wink. As to whether or not your response to this can be called a fetish, that is a more subjective matter. Psychiatry defines fetishism as the use of an object or body part to get aroused or to achieve orgasm. However, this particular F-word is used much more loosely by everyday people to describe a particular turn-on or kink that gets them off, like a foot fetish, a piss fetish, or an enema fetish. You could say some people have an ass fetish and others an anal gaping fetish as you suggest. Sthenolagnia is sexual arousal from the demonstration of strength or muscles. But there is no term I know of to describe a love of ass-winking specifically, so you should name it for yourself! As for movies, I'd say that films dedicated to ass worship with lots of close-up images of butts and buttholes (John Stagliano's early Buttman movies come to mind) will feature winking, although it may not be a central theme.

dear anal advisor

My girlfriend and I have recently jumped on the butt-banging bandwagon and we enjoy it very much! I'm the first person she's ever trusted enough to try it with. I've done anal penetration before, but never with so much dedication, preparation and pleasure as the two of us experience now. Therefore, I tend to think of anal sex with her as my first real experience of it too. We do everything to prepare: lots of lube, anal stimulation during vaginal sex, and very gradual, relaxing entrance through the back door. She feels no pain and we both go crazy from the pleasure. Last time, she told me to ejaculate while I was in her ass. We're monogamous and tested, so I went for it. She was very surprised to actually get satisfaction

out of that as well. After we finished, she went to the bathroom to "freshen up" as she normally does, however, she said she did not have the feeling or urge to expel what I had released. Is this normal? Or is it usual, or recommended to evacuate the ejaculate after an anal internal? Are there any negative consequences with jizz being kept up there?

—one lucky bastard

dear lucky

What goes in the ass must come back out. If she didn't feel the need to go to the bathroom right afterwards, no worries. Since our bodies have natural waste management systems, your jizz will eventually make its way out of her ass.

dear anal advisor

My partner and I are relatively new to anal fisting after almost 30 years of marriage. We bought your book about five years ago and we also have all three of your anal-sex-guide videos. She tells me that her hand hurts, then goes numb while she fists me. She feels a lot of pressure on her hand and she's scared and nervous about going too deep and thrusting. Do you have any suggestions to help us achieve more depth with less discomfort for her?

—fisting in the golden years

dear fisting

Anal fisting is possible because the sphincter muscles can be trained to relax, making penetration comfortable, and the rectum can expand to accommodate something as sizable as a hand. However, the anal opening and the anal canal (the first few inches inside) still tend to feel quite tight once you're in because of the smooth muscles tend to contract. I've felt like my hand was in a vice grip a time or two during an anal fisting!

That said, the vice-grip sensation was fleeting and subsided as the person's ass relaxed. I've never felt pain or the loss of circulation such as you describe, and it sounds like your partner has experienced both. She is correct. There is a lot of pressure on her hand in such a situation, but that pressure shouldn't be so intense it causes distress. The numbness indicates she's losing circulation, which is actually quite dangerous. I suspect that your ass may not be relaxed enough before she gets inside, so perhaps more warm-up is needed before she proceeds from five fingers to the whole hand. Because you mentioned being in "your golden years," I also wonder whether she has arthritis or another condition that contributes to the pain in her hand. The safest solution to this problem is to switch over to large plugs or dildos instead. They will give you the feeling of fullness and deep penetration without giving her numbness and discomfort.

BRIANA AND BARRET
WALL FLOWER
PHOTOGRAPHER
LEE FORBES

Most Masters go easy on Briana because she's such a cute, little thing, but that isn't what she wants, and Barret knows it. He works her hard, chaining her to the concrete wall and feeding her a handful of her own tit-flesh, reminding her of the obedience he expects. He's not light- handed with the whip either, striping Briana's hard, tight biscuit with row after row of blazing strokes. Periodically penetrating her with rude fingers, he finds her wet as usual. He never met a more whip-happy slave, and he makes sure she shows her gratitude properly, on her knees with her arms sleeved behind her while he skull-fucks her with a tool of iron. Her pleading, upturned eyes only make him want to choke her deeper, and Briana knows it. He has something she wants. Demonstrating how agilely she bends down in the single glove, she presents her slit for stretching, and he wades right in.

Barret has tricks of his own. He straps Briana on her back with her legs tied wide, slips it in her and casually rubs a screamer out of her stiff clit. Nobody makes her come like that, and she wants to do as much for him. Back on the floor, she swallows him all the way down, sucking out a tidal wave of jizz so powerful it spills out over Briana's heaving chest in long stringers. He'll be back for more, and she'll be waiting.

IN THE NEXT ISSUE OF HUSTLER'S TABOO®

Sultry Alex Harper sure is formidable in her custom fitted dildo harness. She needs no persuasion to use her big cock. Just do the right thing and follow orders. You too could be her bitch.

Gianna Dior makes her TABOO debut. This gorgeous starlet is compromised in every way. Such a beauty. Tied so tightly, she squirms and moans until she comes. You will too, just at the sight of her suffering.

Plus, lots more pissing, bondage and all the lovely fetish girls you've come to expect from TABOO. See you in the summer!
